THE ROAD TO
SUCCESS

CAMP INFORMATION

ELITE OVERNIGHT - EXTENDED DAY - TEAM CAMP SESSIONS 6 & 17

The Elite Overnight Program offered at the University of South Florida is designed to improve players both on and off the field. The program for ages 9-12, will run separately from the program for ages 13-18. Our morning session has developed a nickname over the years called 'Sunrise Soccer' because it kicks off before breakfast and it's designed for speed and agility. Our second session of the day after breakfast is geared towards improving players' technique. After lunch, the afternoon is

designed to improve players' tactical awareness on both offense and defense. The evenings consist of matches and tournament play. In each session, creativity and flair are stressed. During our Elite Overnight programs we also offer an Extended Day program. The schedule is the same as the Elite Overnight Camp, but campers arrive each morning at 7:00 a.m. and depart at 9:30 p.m. With our Elite Overnight Team Camps, Coach Kiefer will develop a program that fits your team's needs, as they train together at camp. Contact the camp office at 813-315-6485 to speak with Coach Kiefer. Visit usfsoccercamps.com for more information about Elite Programs.

ADVANCED DAY CAMP

SESSIONS 1, 3, 7, 13 & 15

At South Florida, we prefer players who are extremely technical, tactically sound, and very creative. Since we look for these qualities in our players we feel it is of the utmost importance to teach this to young players. Our Advanced Day Camp is a full day program that starts at 9 AM and ends at 4 PM. The Advanced Day program is designed to improve the competitive player's technical proficiency in all aspects of the game (dribbling, passing, receiving, chipping, and shooting). Visit usfsoccercamps.com for more information about Advanced Day Camps.

YOUNG STARS DAY CAMP

SESSIONS 2, 4, 5, 8, 9, 10, 11, 12, 14 & 16

Our Young Stars Camp is a half day program that starts at 9AM and ends at Noon. The main priority of our Young Stars Camp is to teach players the basic techniques of soccer in a fun filled environment.

Young players are much more confident and creative if they are taught specific techniques at a young age. The earlier a young player is able to master the technical components the sooner the player will begin to experiment with the ball and become more creative. Visit usfsoccercamps.com for more information about Young Stars Day Camps.

GOALKEEPER CAMP

SESSIONS 1, 3, 6, 7, 13, 15 & 17

The USF Goalkeeper Academy is ran by USFs Goalkeeper Coach, Brynheem Hancock, who brings a vast amount of experience in goalkeeping. From his involvement with the U.S. Youth National Teams, Major League Soccer, and the College ranks. He uses this experience to develop goalkeepers of all levels.
